Placement dates (8-11 weeks between Tuesday, May 30, 2023 through Friday, August 11, 2023)

Flexible. Any dates between May 30, 2023 and August 11, 2023 work for us.

Are placement dates flexible? Are there any dates on which your Fellow must work?

Yes. No.

Proposed work schedule (*work week should equal and not exceed 37.5 hours per week*)

We are flexible - will do our best accommodate Fellow's schedule.

Organization description (*mission statement, population served. 1,000 characters or less*)

The Connecticut Yankee Council's ScoutReach (Togo West District/New Haven) mission is to serve others by helping to instill values in young people, and in other ways prepare them to make ethical choices over their lifetime in achieving their full potential; providing leadership opportunities for all youth through quality programs; mentoring from trained adult volunteers; ongoing learning and personal development; and, engaging partners in urban and rural communities nationwide to ensure that culturally diverse youth of all backgrounds and genders have the opportunity to join the Scouting program.

Write a 1-2 sentence summary of the work that the Fellow would be conducting (500 characters or less).

Prepare presentation worthy analysis of ScoutReach New Haven that covers all aspects of program. Prepare analysis encompassing, strengths, area requiring improvement, plan for improvement sustainability and replication. Assist Togo West District Director to grow and improve program, expand penetration within the City of New Haven. Enhance STEM, educational and fundraising components.

Write a more complete description of the specific project you propose and list the duties/outcomes expected of the Fellow.

This is a comprehensive, hands on, three-part research, immersion and recommendation project involving:

1. Preparation of a significant analysis of ScoutReach New Haven.

Prepare a comprehensive presentation worthy analysis of ScoutReach New Haven. Analysis will provide historical context and overview, identify structure, efforts, goals, outcomes, needs, resources, micro and macros of program function, benefits and challenges, opportunities for growth, replication, participation, and overall success matrix.

2. Immersion – STEM, Educational aspects and Growth

Research and help implement most current age appropriate STEM pedagogy.
Identify additional critical ScoutReach programming.
Identify and pursue growth opportunities.
Identify and engage additional New Haven youth and charter opportunities for ScoutReach New Haven programs.
3. Immersion – Development/Fundraising
Identify and engage prospective partners/donors/volunteers under guidance of District Director and Development Director. The Connecticut Yankee Council Development Director, Denise Massingale-Lamb, is particularly interested in working with fellows in developing metrics and materials to expand the professional presentation of the program's accomplishments.

List specific skills/experience required for the project

We are looking for a kind and useful, confident, self-motivated person who wants to help children engaged with a New Haven based Scouting program in the preventive youth development space - with a positive attitude and sincere desire to bring life changing/enhancing opportunities to underserved New Haven youth irrespective of gender or background.

Specifically:

- Creative and visionary thinker, without hubris.
- Flexible.
- Good communication, listening and writing skills.
- Ability to effectively interact with new people.
- Ability to conduct research across disciplines – business, science, education, development, and others as needed.
- Ability to identify and quantify relevant information/data points.
- Ability to create informational and critical matrix.
- Ability to prepare persuasive relevant power point presentation with graphs, data relevant historical and current background/data on Scouting, ScoutReach in New Haven.

Additional requirements (e.g. a car or weekend working hours). If a car is required, include information regarding parking arrangements and mileage reimbursement.

Reliable transportation.

Briefly describe any work that Yale PPSF Fellows have done with your organization in the past and present. If you have not worked with Yale

Fellows, describe any work that Yale students have done with your organization.

We have not, yet, worked with Yale Fellows or students. We would like to. Two of our Board members are affiliated with the University and many Board members and volunteers are from the New Haven community.
