Q18. Organization description (*mission statement, population served. 1,000 characters or less*)

Mission: Our mission is to train and support the youth in the community and teach them to strive towards their dreams and never give up.

Our organization helps them identify their goals and keep them encouraged through a vulnerable time in their lives. We as a group come together to listen and support as well as encourage one another. We assist young teens with resume building, interview skills, job search as well as discuss proper attire and hygiene etiquette for interviews and college prep. We strive to promote success for our future leaders by providing homework help weekly. Our group tries to implement daily activities such as speaking about day to day events that may affect their social and personal life skills. We teach them to strive towards their dream and never give up. We promote comprehensive growth and encouragement.

Our program focuses on under-privileged and disenfranchised youth.

Write a 1-2 sentence summary of the work that the Fellow would be conducting (500 characters or less).

Yale Fellow will assist children 5-17yrs old with literacy. They will be assisting in arts and crafts and fun learning activities.

Write a more complete description of the specific project you propose and list the duties/outcomes expected of the Fellow.

Yale Fellow will assist with summer packets help that focus on writing, math, reading, and problem solving. We especially target areas they struggle with in literacy. At the end of the year we receive reports from the schools which lets us know where they need help most. We teach them healthy living by serving healthy snacks. Yale Fellow will provide positive influence, guidance and direction as well as help build students' self-esteem through significant accomplishments. Yale Fellow will have the opportunity to gain a sense of competence, usefulness, a sense of belonging as well as leadership skills that develop self-assurance and servitude.

List specific skills/experience required for the project

High School diploma

Additional requirements (e.g. a car or weekend working hours). If a car is required, include information regarding parking arrangements and mileage reimbursement.

No car required
