• Organization description:
  Sanctuary Kitchen, a program of CitySeed, partners with immigrant and refugee chefs to build economic opportunity and authentic connections through food. Our vision is to enhance the culinary skills of refugees and immigrants in a supportive environment that honors story and diverse cultural traditions, fosters community and understanding, offers professional development, and generates economic success in the most delicious way possible. We do this through refugee and immigrant-led cooking classes, supper clubs and other culinary events. Sanctuary Kitchen Catering, our social enterprise, provides authentic, multicultural catering and food products that support
employment, professional training and integration of refugees and immigrants in Greater New Haven.

CitySeed is a non-profit organization who’s mission is to engage the community in growing an equitable, local food system that promotes economic development, community development and sustainable agriculture. Our vision is to create a sustainable model of local economy, urban community, regional agriculture, environmental stewardship, and well-being through food.
